Based on
Single National Curriculum (SNC)

New Century Education is a research based leading organization engaged in curriculum development, teachers training, guiding parents and mentors by creating high quality educational products and services since the last 25 years. NCE is striving to develop high standard books based on modern approaches and pedagogies. Our team consist of highly skilled individuals devoted to the field of curriculum development and education advancement. NCE offers School Support Programme to implement the syllabus effectively. School Support Programme is a blend of 7 individual services. These services are designed after an in-depth study and analysis of the needs of private schools in Pakistan. Each one of these services specifically promotes a particular area of the school system.

1. Orientation Workshops
2. Teachers Training
3. Support Materials
4. Parents Awareness Workshop
5. Consultancy Visits
6. Monitoring System
7. Online Support

Printed in Pakistan

Points to Remember

- Encourage children to start their work with: Bismillah.
- A patented letter style - Maze Writing Style - is used in this copy.
This style is proven to help children write quickly and properly. Familiarize your children with this style. Demonstrate the formation of the letter on the board before the children start their work. Once children start their work independently remind them to begin from the starting point and follow the arrows.
- Ask children to colour in the pictures neatly with an up and down movement only.
- Encourage children to always review their work after completing it.

MAZE

Mastering a skill or a concept is like pocketing the balls in a maze, both give the joy of success. The MAZE Series is designed to help students master various skills and concepts of English Language. It helps them learn independently and feel the joy of success.

MAZE Series instills the idea that learning is exciting. It is the most professionally designed series covering all skills and concepts important for children before starting class 1. The skills and concepts covered in this series are: phonics, sounds, letter formation, number value, number formation, themes, spatial concepts and many more.

A four step teaching method “IIPR” (Introduction, Identification, Practice and Review) is used to ensure effective learning of each concept. This method is implemented for all skills and concepts.

A new patented writing style ‘MAZE Writing Style’ is used in these books. This writing style helps children develop proper letter formation independently and effectively.
