LONGER LIFE FOR SHREDDER BLADES

- extends the lifetime of the shredder
- Reduces blade friction for optimal shredder performance.
- suitable for all cutting types
- Reduces Noise
- Vegetable Lubricant

Recommendation:
use 1 lubricant sheet after shredding
every 200 sheets of paper.

Lubricate in 3 simple steps:

1. Switch shredder ON
2. Feed one lubricant sheet directly into the shredders feed.
3. Once the sheet has completely shredded, run the shredder in reverse for approx. 10 seconds to complete lubrication.
