Submarine No-Staple Stapler

| Engarapadora | Agrafuse | Heftgerät | Крепиль

■ Fastening the paper without the staples by using the *Submarine* stapler.

■ Ideal design for school, shop, home and office.

A blue and white baby walker designed to look like a submarine. It has a long, curved body with a white stripe along the top. The front has a small hatch-like structure. The brand name 'KU-trio' and the model 'Submarine' are printed on the side. The back has a wide, flat base for stability.
